

Kaleb Rashad Bio

[Kaleb](#) is the director of the Gary & Jerri-Ann Jacobs [@hightechhigh](#)

We are first and foremost an equity project. We believe that passion matters in work and in life. We think school should be a place where you find out what you're good at doing, what you love to do, and what the world needs. As a school, we exist to be EXCELLENT to each other & do BADASS work.

Kaleb's belief in [#HumanCenteredDesign](#) is deeply rooted in his dissertation research on relational trust and he believes that [#HumanCenteredDesign](#) can be used to AMPLIFY our sense of human connection, creativity, & innovation. Kaleb's work includes facilitations and engagements with the [Deeper Learning Leadership Forum](#), [Real World Scholars](#), [the Buck Institute for Education](#), [Leadership + Design](#), and [School Retool](#).

He lives with his wife, two boys, two cats and a little Shih-Tzu named Ozzie. He is all about CULTURE, PEOPLE, and PROJECTS.
